2. The improvements are estimated to cost Rs.3,050. Mr.Ray has to submit his bills for payment. Instead of paying such a heavy advance of Rs.2,000 which represents almost 2/3 of the estimated cost, it is not clear why Mr.Ray should not submit for payment his bills for work executed. It does not seem advisable to give an advance when the contractor charges profits. I think it desirable that the State P.W.D. of His Highness the Maharaja of Benares should be requested to supervise the work and check the

SIR,

With reference to Government Order No.2566-69/Jud.-11-30-4 dated 28th May 1931 sanctioning this office recommendation to entrust the work of constructing bath room, kitchen and verandan to the --- Chatram at Benares to Mr. R.N.Ray and to pay the amount on bills submitted by him, I have the honor to state as follows:-

Mr. Ray was entrusted with the work and asked to submit bills for work done, after July 1931 as the expenditure had to be met from the grant of 1931-32. He reported in his letter of 26th July 1931 that excavation for foundation , filling in concrete and brick work to plinth level on the south wing had been completed and prayed for an advance of Rs.2000/-.

He has now sent a telegram to the effect that it is not possible to continue the work without the advance applied for.

In the circumstances reported by the contractor, I recommend that an advance of Rs.2000/- applied for may be sanctioned.

Copies of the letter and the telegram referred to above are enclosed for reference.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.611 dated 26th July 1931 from Mr.R.N.Ray Engineer and Contractor, Benares, to the Muzrai Commissioner in Mysore.

I have telegraphed you on 24-7-31 thus:-

" Please remit demand draft 2000/- immediately
"Reference letter 556 21st June last day."

I regret very much that I had not had the pleasure of hearing from you in reply to my letter referred to above and as the work has been making rapid progress every day, it is necessary to make payments.

The concrete in foundation of the south side is finished and the brick work is nearing the plinth level.

The excavation in the other part of the foundation in the north is also nearing completion. Concrete will be taken up shortly.

I therefore request you to remit the same referred to above without delay through the Imperial Bank of India Benares Branch.

With reference to your letter No.1656/30-31 dated the 7th/8th August 1931 recommending the grant of an advance of Rs.2,000/- to Mr.R.N.Ray, Engineer and Contractor, Benares, I am directed to observe that the amount represents 2/3rds of the estimated cost of the improvements. No advance was asked for or contemplated when the estimate was sanctioned. It is not clear why the procedure already ordered, viz., of payment on submission of bills, should not be followed. If the State Public Works Department of His Highness the Maharaja of Benares would be so good as to supervise the work and check the bills on payment of a percentage of 10% of the cost for supervision, if necessary, it would be desirable to adopt the arrangement.
